

Mock Tests

A Fresh Look

Lou Walsh

Some examples of what we do...

Feel free to use what you like or give me yours!

Lets start with what we don't do:

We don't do a mock test to assess a pupils readiness for test

We don't do a mock test with the goal of them passing

We don't go to the test town

We don't go on test routes

We don't have a set route

Variations on a mock test:

Specific mocks (ignoring everything but...)

Prompted mock no.1 (with the why's)

Prompted mock no.2 (what do you think it was for?)

Prompted mock no.3 (I'm going to give myself a fault...)

Gold Stars and sweets!

Some more suggestions:

Reciprocal mocks

Use each other!

(Associations, fellow instructors, franchise/school)

Don't forget to look for solutions....

Thank You!
